

**2024 TCR UK RACE WEEKEND**  
**CROFT CIRCUIT - 13 & 14 JULY 2024**  
**BULLETIN**

1. Due to an incident in a support race on 13 July, Motorsport UK in consultation with the BRSCC have sanctioned that the Club is to monitor track limits at the apex of Turn 1.
2. As a result of this, any car that is noted to have any part of the contact patch of a tyre beyond the outer edge of the red and white painted kerb at Turn 1 (see photos) will be reported to have exceeded track limits. A Judge of Fact has been appointed to monitor track limits at that corner.
