No Further Action

A Technical Non-Compliance form (IBFJC02) was provided to the Clerk of the Course by the Fiesta Junior Eligibility Scrutineer, stating that Car 12 was recorded as being underweight by 2.5kg) following Race 15 (Session 24). The driver, accompanied by their parent/guardian and team manager, was informed of the findings, and were asked for mitigation. It was noted that Car 12 lost its front splitter during the race due to an incident, and mitigation offered by the entrant was that the car would have satisfied the minimum weight requirement as dictated by the Championship Regulations (CR 5.14.2) should the car not have lost its splitter. The splitter was weighed on calibrated scales and measured 4.0kg. Therefore, my decision is to take No Further Action with the non-compliance report.

You are reminded of your right of appeal. Any penalties applied will be recorded by Motorsport UK in accordance with the NCR.
