Following investigations, I find that you are guilty of contravening the following Motorsport UK Regulation(s):

Q12.21.4 Causing a collision

Brief Details:

Car 115 - Bradley Porter, (372729), reported to the clerk that Car 21 made contact with the rear left corner of Car 115 at T11. An incident involving Car 115 had been observed by the clerk during the race. Drivers of Cars 21 and 115 were interviewed. Car 115 was able to provide video footage which was reviewed. Car 21 was unable to provide video footage. Car 21 explained that due to the slippery conditions, he lost control and made contact with Car 115. Accordingly I find that Car 21 caused a collision and will be disqualified from the results of the race.

Championship regulations 2.13 - Onboard Cameras - provide for a penalty in the event that no footage is made available. On this occasion, no additional penalty will be applied.

Accordingly, under Motorsport UK Regulation G 5.3, I hereby order that you receive the following:

Disqualified from the results of the race.
Number of Licence Penalty Points: 4

You are reminded of your right of appeal. Any penalties applied will be recorded by Motorsport UK in accordance with Motorsport UK Regulation C 2.1.4
