Following investigations, I find that you are guilty of contravening the following Motorsport UK Regulation(s):

N/A - No Further Action

### **Brief Details:**

Following a report of contact between car 3 and car 31, interviews with the drivers and a review of onboard footage was undertaken. From this, I determine that neither driver was predominantly to blame for the contact. I therefore regard this as a racing incident and take no further action.

Accordingly, under Motorsport UK Regulation G 5.3, I hereby order that you receive the following:

No Further Action - Having investigated the incident referred to above, and reviewed all available footage, I find that there is insufficient evidence of driving in a matter incompatible with general safety and consider the matter to be a racing incident, and therefore I will take no further action.

You are reminded of your right of appeal. Any penalties applied will be recorded by Motorsport UK in accordance with Motorsport UK Regulation C 2.1.4
