Following investigations, I find that you are guilty of contravening the following Motorsport UK Regulation(s):

Q12.21.3 Unsafe Rejoin

Brief Details:

While investigating a contact incident at Turn 2, on board footage was viewed of car 5, car 51 and car 47, who was following from a couple of cars behind. Car 51 left the track exiting Turn 9 Club, continued through the gravel/grass and rejoined approaching Turn 1. Car 51 was not at race speed on rejoining and was aware of several cars behind but took a line for the apex of Turn 1.

As mitigation for the penalty, the speed differential between car 51 and the cars behind was not such that the manoeuvre was excessively unsafe, however safety was still compromised by car 51 moving for the apex at reduced speed instead of holding a wider line until up to race speed.

Accordingly, under Motorsport UK Regulation G 5.3, I hereby order that you receive the following:

Verbal Warning

You are reminded of your right of appeal. Any penalties applied will be recorded by Motorsport UK in accordance with Motorsport UK Regulation C 2.1.4
