No Further Action

Car 51 was seen to go purple in sector 3 whilst yellow flags were displayed in that sector.  
A through investigation was conducted, including the lap prior as well as several laps after the safety car restart.

It is found that car 51 did in fact brake earlier for the corner with the yellow flags and had a lower speed at the apex on that occasion compared to the other laps investigated.

For this reason, no further action will be taken.

You are reminded of your right of appeal. Any penalties applied will be recorded by Motorsport UK in accordance with NCR Ch.5a App.5 Art.2.3
