Reviewed a marshal report of contact in Brooklands involving cars 51 and 59. Spoke to driver of 51 as he was behind. Reviewed on board footage and can see that the car in front slowed which caused car 59 to slow more than normal. Could see that car 51 took action to avoid contact. However, reviewing the results car 59 finished ahead of 51.

Considering all elements, no further action deemed necessary.
