There was a report of a collision from MP3.0 between Cars 58 and 140, causing both cars to retire. CCTV footage was reviewed, as well as Onboard Cameras from both vehicles. A Post Chief's written report was also reviewed. It was clear from Onboard Footage that mechanical factors were a primary cause of the collision. Therefore, no driver was primarily at fault for causing the collision. Drivers of both Cars were interviewed.

You are reminded of your right of appeal. Any penalties applied will be recorded by Motorsport UK in accordance with the NCR.
