Following investigations, I find that you are guilty of contravening the following Motorsport UK Regulation(s):

N/A - No Further Action

### **Brief Details:**

Investigation into Lap1 turn 1 incident appears to show car 52 run wide and 2 lose rear end into turn 1 with contact subsequently making contact once in the gravel.

Interviews with 2 and 52 conducted. Driver of car 2 did not believe he received contact that caused him to go sideways at the apex.

I cannot apportion blame to either driver in relation to this incident.

On board footage of car 2 reviewed.

Accordingly, under Motorsport UK Regulation G 5.3, I hereby order that you receive the following:

No Further Action - Having investigated the incident referred to above, and reviewed all available footage, I find that there is insufficient evidence of driving in a matter incompatible with general safety and consider the matter to be a racing incident, and therefore I will take no further action.

You are reminded of your right of appeal. Any penalties applied will be recorded by Motorsport UK in accordance with Motorsport UK Regulation C 2.1.4
