START PROCEDURE BULLETIN

ROUNDS 9, 10 & 11 - CROFT CIRCUIT - 13 & 14 JULY 2024

RACES 5 AND 20

1. The Pit Lane will open by signal of a waved green flag and an audible signal. It will remain open for a period of 3 minutes, whereupon drivers must exit the Pit Lane and go straight to their grid positions.
2. One all cars are in position, the countdown procedure shall be:
 - a. Audible warning and 3-minute board shown at Start Line.
 - b. Audible warning and 2-minute board shown at Start Line.
 - c. Audible warning and 1-minute board shown at Start Line. All work on cars must be complete by this time. Any car being worked on after the showing of the 1-minute board will result in the competitor being given a 10 second penalty.
 - d. Audible warning and 30 second board shown at Start Line.
 - e. Start of formation lap.

RACE 10

3. Competing cars for Race 10 will be convoyed from the pit lane to the grid for the grid walk at approximately 1125 on Sunday morning. It is imperative that this lap is conducted slowly and as quietly as possible.
4. Any cars that are not able to be convoyed must subsequently be pushed into their grid position.
5. At the conclusion of the grid walk, a 3 minute countdown will commence, before the cars are released for a formation lap.
6. Once all cars are back in position following the first formation lap, the countdown will continue in accordance with para 2 above.
