Reference Championship Regulation 3.1.1.9

During any pit stop (driver change or other), with the exception of the car controller and the exiting driver (who is permitted to assist the driver replacing him) the maximum number of mechanics authorised to work on the car or assist drivers in any way is limited to four. Other than as detailed above, all persons in the pit lane will be deemed to be working on the car.

GT4 #68 Team BRIT fielding a non-ambulatory driver is permitted an additional crew member during pit stops to strap in the replacement driver in lieu of the exiting driver being able to perform the operation. This additional crew member will be identified by a fluorescent green vest – to separate this additional crew member from the four authorised mechanics wearing armbands.
