Following investigations, I find that you are guilty of contravening the following Motorsport UK Regulation(s):

C1.1.6, Q12.24.3 (e/f), Q12.24.5 Overtaking or not slowing down whilst yellow flags/lights were displayed.

### **Brief Details:**

Passed car 79 for the race lead exiting Turn 15, with clear waving yellow flags displayed at Turn 13. Yellow flags were for a car pulled off the circuit exiting Turn 15 with marshals about to attend.

Mitigating circumstances are that the flag points immediately prior to the incident were unmanned; and that there was no green flag after the incident. However the pass was immediately after the incident, before any green could have been displayed anyway.

Evidence taken from in car footage from both cars.

Accordingly, under Motorsport UK Regulation G 5.3, I hereby order that you receive the following:

Addition of time to your race time.  
Number of Licence Penalty Points: 3

Additional Comments: Time penalty of 0.1 second to be added to race time.

You are reminded of your right of appeal. The penalty applied will be recorded by Motorsport UK in accordance with Motorsport UK Regulation C 2.1.4
