Investigation has taken place after 30 minutes from the end of the race as driver of car 25 has been in the medical centre. The incident following the start of the race was alleged to have been at Copse corner on lap one. There were no marshals reports confirming or otherwise contact between cars 81 and 25. I have reviewed all circuit cameras on Copse corner and the in car footage of car 81. On the evidence available, I can't confirm if any contact occurred, so therefore I am only in a position to issue a no further action conclusion.
