Intelligent Money British GT Championship  
Round 9 – Silverstone 7-8 November 2020.  
Race Director Note 2  
06.11.2020

To all competitors and teams of the Silverstone 500

Thank you for entering this final showdown round of the Intelligent Money British GT Championship 2020.

This weekend we welcome many new and returning entries and I hope that you all have a safe and successful race weekend.

I would like to draw every competitor's attention to the fact that the championship is finely balanced and the race will be observed to ensure that the racing complies with the Motorsport UK General Regulations 2020 and is a successful sporting event.

Your attention is drawn to section Q of the general regulations and I highlight that anyone suspected of breaching these regulations, in particularly Q14.4 (slower cars being lapped), Q 14.4.1 (change of direction whilst being overtaken) and Q 14.4.5 (unnecessarily slowly or erratically) will be investigated and penalties will be issued.

Investigations may include post-race data analysis and any driver found in breach of these and other regulations will be penalised, which may include a post-race time penalty, fine and endorsement points.

Thank you

Peter Daly.  
British GT Race Director.
